

Hi there! Welcome

My name is Martin Casas. I'm a Front-End web developer.

Who am I?

I'm an Argentinian dev, just starting out in the craft. I've been completing the FreeCodeCamp Curriculum and complementing it with other resources. This is my first react app! I will be listing the projects I work on here.

- Age : 23
- Nationality : Argentinian
- Bilingual : Spanish & English
- Location: Cordoba, Argentina
- Studying translation and engineering
- Basic level portuguese and french
